

SUNSET Party Cat, Inc.

Thank you for your interest in the Sunset Party Cat. The Party Cat is 65 feet long, 32 feet wide and is a state of the art Gold Coast Yacht that can accommodate up to 149 passengers. No event is too small from 2 to 149 people. We offer private and non private charters for weddings, rehearsal dinners, bachelor/bachelorette parties, birthdays, dinner cruises, reunions and any special occasion you may have. For non privates we can rent out the Party Cat main cabin for just you and your guests. Also available is a 40 foot catamaran which can hold up to 49 passengers. We will accommodate you to fit your needs and budget.

The Party Cat main cabin is air conditioned and has a fully lighted dance floor with laser lights, track lights, pin lights, fog machine and of course a disco ball.

For entertainment, if you choose to have a band or DJ, our Northern Lights generators will have no problem handling the power needed. You also have the option of using the Sirius satellite radio with CD and I-Pod capability with 2 surround sound systems for any type of music you require. The 42 inch plasma TV also has DVD capability. We had one party bring a home made DVD with the bride and groom when they were children growing up. It was a huge success.

Some of the many features include full size his and her bathrooms, illuminated decks, PA system and under water lights. The upper deck is spacious and has a great view, it is unobstructed and with the sun setting it can be one of the most memorable moments of your life. The inner cabin is trimmed in beautiful teak wood and plants, along with a 16 foot teak bar. If we were to remove the dance floor it can accommodate up to 80 people seated with plenty of room upstairs for more seating. There is no need to worry about the weather on this boat.

There is a full stainless steel kitchen galley where we prepare fresh food ranging from light appetizers, to buffets and fine dining. The food pricing ranges from \$1 to \$14 per item, per person, far below local catering companies prices. Everything is cooked fresh right on board by our executive chef Douglas Cray. We were recently honored to have our boat and chef, prepare a wedding party dinner for two highly regarded local sous chefs. Upon request I can forward you an appetizer and dinner menu. If there is anything you would like, that is not on the menu, I will be happy to get you a price.

The price for a charter varies depending on the time of year and how many guests you may have. All of the charters include soft drinks, draft beer, wine and Champaign. You can also choose from well brand and premium liquor packages or simply offer a cash bar for the people who would like to have mixed drinks, bottled beer or frozen drinks.

The Party Cat is equipped with 2 full bars, one upstairs on the sun deck and one in the air conditioned main cabin. The premium liquor package is \$12 per hour per person which includes soft drinks, red and white wines, Champaign, draft beer, bottled beer including Corona, Heineken and Miller lite. The premium liquor is Stolé, Absolute, Tanqueray, Capt Morgan, Jose Cuervo, Dewers, Jim Beam Black, and Bacardi select rum. This also includes frozen drinks, Margaritas, Strawberry daiquiri, Pina coladas and Mango daiquiris. If you would like a premium liquor not mentioned let us know so we can accommodate you.

The house liquor package runs \$8 per hour per person which includes well brand mixed drinks, Champaign, wine, draft beer, soft drinks, frozen drinks as well as domestic and imported bottled beer.

If you choose to have the 3 hour private charter and would like to extend the time, we offer an additional hour at \$1,000 which includes a liquor package if you choose to purchase one. The Captain is able to drop off, any of your guests, at any time.

The Sunset Party Cat is proud to announce retired interior designer Peg Russell as our in house wedding and event planner. You cannot say enough about Peg's attention to detail. When it comes to weddings, she is all about the bride. After Peg officiated a wedding, and had half the people in tears, I herd the bride say "I felt like I hired my mom, I just love her".

If you are in need of tables, chairs, flowers, wedding cakes or decorations. Peg will save you money. Her ability to decorate the party boat will far exceed your expectations. She can be reached at 847-612-4712.

If you would like to check for availability or secure a date please feel free to call at anytime.

Thank you, Rich Welter
